

## ABOUT US

The San Antonio Camaro Club was formed in 2009 by a group of local enthusiasts interested in the preservation and enjoyment of this American classic. Over the last year their membership has grown exponentially. Club members organize photo shoots, car cruises, special charity events and routinely participate in many activities hosted by other local car clubs as well as in the surrounding areas.

## OUR CHARITY

Since 1951, Providence has helped more than 6,000 young women reach their potential. The school, grades 6-12, create confident, well-prepared young women to enter college. Located in downtown San Antonio, Providence is a 501c (3) non-profit organization established by the Sisters of Divine Providence.

## HOW CAN YOU HELP?

You can help with a charitable donation or by providing products, services, or gift certificates from your establishment. Items will be used as door prizes & raffle items, and will directly contribute to the Broadcast Journalism and Video Tech curriculums at Providence. Your donation is tax deductible. Funds raised will help support the mission of Providence, "...to prepare young women of diverse backgrounds for the world of tomorrow and encourage them to develop intellectual curiosity, deepen their faith, practice integrity, and seek justice." Your gift will help them continue to provide a transformational educational experience for all students.

### Disclaimer

In consideration of the privilege to participate, I release the San Antonio Camaro Club, its officers and members both collectively & individually, as-well-as Providence Preparatory School, its employees both collectively and individually from any and all claims arising from my participation.

I accept all conditions, rules and decisions of the car show and understand the host reserves the right to re-structure classes the day of the event as necessary dependent upon entries.

NOTE 1: Vehicles will not be started or moved during the car show hours unless instructed by an event committee member.

NOTE 2: Entertainment will be provided by the host. No car stereo or "boom boxes" allowed during event hours.
